

## Timeline for transferring a young person with an LDA to an EHC plan†

All young people with an LDA, who need an EHC plan and are continuing in education or training beyond 1 September 2016, must be issued with an EHC plan by 1 September 2016

Towards the end of the process the LA must allow:

† Exceptions apply, see Code of Practice, para 9.42

# New advice must not be sought if LA, the advice giver and young person agree existing assessment information is sufficient for an EHC needs assessment

△ 15 days for the young person to:

- comment on the draft plan
- request a particular college or other post-16 institution to be named in the plan
- meet the local authority to discuss the draft plan, Code para 9.77

\* College, or other post-16 institution, should respond within 15 days
